IF BILIOUS, SICK

No headache, bad cold, sour stomach or costive bowels by morning,

Get a 10-cent box now.
You're billous! You have a throbbing senantion in your head, a bad taste in your mouth, your eyes burn, your skin is yellow, with dark rings under your eyes; your lips are parched. No wonder you feel ugly, mean and ill-tempered. Your system is full of bile not properly passed off and what you need is a cleaning up inside. Don't continue being a bilious nuisance to yourself and those who love you, and ion't resort to harsh physics that irritate and injure. Remember that most disorders of the stomach, liver and bowels are cured by morning with gentle, Cascarets because they taste good and hope of preventing the imperilling of typed "I have nothing to say."

"I have asked them to help when I have felt that a majority of the commission were about to pan on natters endangering the city's in-

"I am glad to say I have usually seen able to defeat these attempts. "The original Ward & Gow contract for subway advertising was one l helped to kill," he continued. "Also the extension of the elevated lines at an additional cost of 15 per cent. These are only two instances; I could

William M. Ivins was called as witness this afternoon to testify as to criticism of his fellow commissioner, the advisibility of transferring the supervision of subway construction work to the Board of Estimate or to another local body.

The "inspired" announcement from bers of the Board of Estimate re- Albany that Col. William Hayward garding public service affairs, to-day would head the new Public Service told the Legislative Investigating Commission did not serve to-day to Committee, sitting in City Hall, that provoke a more definite word from the Colonel himself than the stereo

the city's best interests by the majority of the Public Service Commission.

"I have not one apology to make,"
Mr. Maltbie said, "and I'll seek those posed to accept the post should Gov. Whitman offer it to him.

Col. Hayward resumed his questions of Public Service Commission.

tioning of Public Service Commis-sioner Maltbie. Senator Mills questioned Mr. Malt-bic briefly concerning the benefits to be derived from a transfer of the powers of the commission, particu arly of its engineering department, to the Board of Estimae or some other body. Mr. Maithie admitted that this

Senator Milis—How long would it take to break in a new commissioner?

Mr. Maitbie—If you're talking about archangels, that's a different matter. If you can get men who are perfect, with hindsight no better than their foresight, you'll mighty soon have a commission that would be so high New York couldn't see it, it would be so far up in the clouds.

Col. Hayward produced an automobile card showing that Commissioner

bile card showing that Commissioner Maltbie had used his car on April 25, 1914, for a run of 155 miles "into the country" with Assistant Secretary Ransom. The time consumed was

Col. Hayward—Do you think this investigation has set up too high a standard?

Mr. Maitbie (vehemently)—I think you've set up a standard that can't be lived up to.

Col. Hayward—Do you believe a transfer of the powers of the commission would cause a delay in subway work?

Mr. Maitbie (with marked vigor)—A new commission of five members will cause a delay in the work!

Senator Mills—How long would it take to break in a new commissioner? Mr. Maitbie—If you're talking about archangels, that's a different matter. If you can get men who are perfect.

Mr. Hayward read the "joy-riding statute."

"I want to say," Mr. Maitbie went on, "I paid for the use of that car. It was a personal trip and I can tell you it shocked some of the people over there"—waving his hand toward the commission's offices across City Hall Park—"when I wanted to pay for it. Many times I've hired taxis and never charged for them."

Several times during Mr. Maitbie's energetic defence the auditors applicable.

After a brief recess Col. Hayward crossed the room to Mr. Maitbie and holding out a slip of paper said:

"I have no intention of being unfair

Designed These Dresses for Her Daughters

The Dresses Are Now Exclusive with GIMBELS-\$5 to \$8.50

As Mrs.—— has always outfitted her daughters in our Salon for The Younger Generation, she told our Fashion Chief about the dresses she had designed for her two little girls, and he was so delighted with the simplicity and quaintness of the styles that he had them made for her. And, in turn, she gave us the privilege of copying the dresses, for she was only too happy to have other girls look as pretty as her daughters.
